

GVTC is Going All-Digital

Good News for GVTC Cable TV Customers

GVTC Cable Television is in the process of transitioning to an all-digital system to enhance the total viewing experience with:

- High Quality Picture and Sound,
- Increased Cable Broadband Speeds, and
- The Addition of More HD Channels.

Enhance your viewing experience.

Call **800-367-4882** or login at **gvtc.com/dta** for more information.

Have an Analog TV?

COMMUNICATIONS

GVTC is Going All-Digital

To continue to view channels on analog TVs, you may want to order a Digital Adapter now, priced affordably at just \$2.95 per month (per Adapter) online at **GVTC.com/DTA**

Orders placed online will be shipped free (no shipping/handling fees) to your home complete with easy self-install instructions.

This will not affect any TVs you currently have connected to a digital set-top box.
