## The GVTC Foundation Targets outside Donations with Partnership Campaign

SMITHSON VALLEY, August 27, 2013 — For the first time, The GVTC Foundation is asking the community to join forces to help even more disadvantaged people in its service area. The Foundation's Partnership Campaign gives GVTC customers an opportunity to make donations through a monthly pledge added to their GVTC billing statement. Individuals not GVTC customers can also participate by making donations through [GVTCFoundation.com](http://GVTCFoundation.com) or by calling 1-800-FOR-GVTC.

**To get the Partnership Campaign off to a strong start, GVTC is matching all donations now through the end of 2013.**

"The need is definitely here in our community; we see it every day," Paula White, The GVTC Foundation president, said. "This is a great opportunity for the public to support our mission and to double their giving at the same time."

Since 2006, The GVTC Foundation has given back more than \$1 million to the community. A large number of nonprofits in the Hill Country and Gonzales count on contributions from the Foundation to enhance the services they provide.

"Through the Partnership Campaign, the Foundation will increase its financial support to existing recipients and seek to include more nonprofits for assistance," White said.

The GVTC Foundation receives the majority of its funding from GVTC, employee payroll contributions and its annual Charitable Golf Classic.

The GVTC Foundation is a 501 (c) 3 nonprofit. Contributions made to the organization are tax deductible.
