The GVTC Foundation Benefits from Annual Golf Classic

SMITHSON VALLEY, May 17, 2013 — The primary fundraiser for The GVTC Foundation once again delivered a record setting score. The 2013 GVTC Charitable Golf Classic raised \$110,344, which topped last year's amount by more than one-thousand dollars. The Foundation will use the funds to support nonprofit agencies throughout GVTC's service area. Food pantries, emergency services, youth crisis care and education are just some of the causes the Foundation supports. In January 2013, the Foundation surpassed more than \$1 million in giving since it was formed in 2006.

The Golf Classic took place on Monday, May 6, at The Resort at Tapatio Springs. More than 140 golfers from around the nation participated. The tournament is organized by GVTC employee volunteers, who spend many hours to ensure a successful outing. This is the ninth year the fundraiser took place.

In addition to the golf tournament, The GVTC Foundation receives funding from employee payroll deductions, GVTC board of director contributions and matching dollars from GVTC. However, the need is great in the GVTC service area and there are more organizations that need assistance. To partner with the Foundation to support its cause, contact info@gvtcfoundation.com for options to make a contribution.
