

For Immediate Release

GVTC Welcomes New and Returning Board Members

SMITHSON VALLEY, June 27, 2018—GVTC’s 63rd Annual Meeting was held at the New Braunfels Civic Convention Center to announce the new and returning members elected to the Board of Directors, recognize the 2018 President’s Award recipients, and disperse \$6 million in Capital Credits to GVTC members.

On the ballot this year, five positions on the GVTC Board of Directors were open for election, and for the first time in GVTC history, votes were collected through the mail or online balloting. Excited about the participation for this new voting style, GVTC ended up receiving five times as many votes as the year before!

Four of the five elected members to our GVTC Board of Directors included incumbents who have served GVTC well. Among them are Robert (Bob) Baron of District I, Position 2, Geri Browne of District II, Position 2, Mike Scott of District II, Position 4, and Rhonda Zunker of District II, Position 6.

GVTC also welcomes its newest member to the Board of Directors, Rita P. Wenthold who will reside in District III, Position 2 and replace longtime board member, Arley Sultenfuss, who retired.

Also, GVTC recognized four exemplary employees who went above and beyond on several key program launches in 2018. Jasa Roa was honored for her leadership role on the Creating Fiercely Loyal Customers initiative, and the Team of Technical Tenacity (made up of Alfred Perez, Eileen Lenz, and Sandra Ramirez), were celebrated for the vital role they played in the launch of the Member Dividend Program. Both of these initiatives were huge undertakings for GVTC that will ultimately provide more value to those we provide service to.

Overall, GVTC’s 2018 Annual Meeting was a meeting for the record books. GVTC’s mission is to ensure the long-term viability of the company by providing the best value in communication services and enhancing the quality of life in their communities. The Board of Directors, management team, and over 200 employees continue to be committed to fulfilling this mission every day.

About GVTC:

GVTC is an award-winning fiber optics communications provider delivering high-speed Internet, digital cable TV, phone and interactive home security monitoring to residential and business customers in far north San Antonio, the Texas Hill Country and South Central Texas. GVTC offers Internet connection speeds up to 1 Gbps and symmetrical broadband connections, up to 100 Mbps.

GVTC's wholesale carrier transport network delivers Ethernet data delivery between San Antonio, Austin, Dallas, and Houston, with access to remote Texas markets. The company's philanthropic arm, The GVTC Foundation, is celebrating more than a decade of charitable giving. With more than \$2.6 million in contributions throughout GVTC's service area.
