

GVTC Communications Announces Partnership with The Boerne Chamber of Commerce

GVTC Communications, a leading provider of cutting-edge telecommunication services, is thrilled to announce a significant partnership with The Boerne Chamber of Commerce, further showing their commitment to supporting the local community. As part of this collaboration, GVTC Communications is proud to be named the Conference Room Sponsor.

This partnership holds great significance as both organizations share a common mission: to uplift and empower the local community. By joining forces, GVTC Communications and The Boerne Chamber of Commerce aim to create a stronger, more vibrant business environment, driving economic prosperity and community well-being.

GVTC Communications takes pride in being selected as the exclusive provider of internet, smart security, TV, and phone services for The Boerne Chamber of Commerce. This partnership will enable the Chamber to operate seamlessly and efficiently, leveraging GVTC's cutting-edge technology solutions to enhance their operations and member services.

"We are excited about this partnership with The Boerne Chamber of Commerce. It aligns perfectly with our vision of empowering local businesses and communities through advanced telecommunication services," said Jeff Mnick, Vice President of Sales and Marketing at GVTC Communications. "Sponsoring the Boerne Chamber Conference Room reflects our commitment to providing the resources and support necessary for the Chamber to thrive."

The Boerne Chamber of Commerce also expressed enthusiasm for this collaboration. "We are thrilled to have GVTC Communications as our partner. Their extensive range of services and unwavering dedication to community growth make them the perfect fit for us. Together, we look forward to achieving new heights of success," remarked Kim Blohm, President and CEO at The Boerne Chamber of Commerce.

About GVTC:

GVTC is an award-winning fiber optics communications provider delivering high-speed Internet, digital cable TV, phone, and interactive smart security to residential and business customers in far north San Antonio, the Texas Hill Country, and South Central Texas. GVTC offers Internet connection speeds up to 1 Gbps. GVTC's wholesale carrier transport network delivers Ethernet data delivery between San Antonio, Austin, Dallas, Lubbock, and Houston, with access to remote Texas markets. The company's philanthropic arm, The GVTC Foundation, celebrates 17 years of charitable giving. More than \$6 million in contributions have been given throughout GVTC's service area.
